FILE HEADING.

Applications from Mrs Venkatasekhamma & Mr. A. Pitchaiya Naidu for renewal of prospecting licence & grant of mining lease respectively over the Vadesamudra block in Serugapalam Taluk

From

The Director of Geology

No. 1379 Dated 23-2-22 Received 25-2-22

Diary No. 3959	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Recommends for reasons stated that the applications recd from Mrs Venkatasekhamma for renewal of her licence, maybe rejected and that the grant of mining lease applied for by Mr. A Pitchaya Naidu maybe sanctioned.

NOTES AND ORDERS.

Submitted with connected papers for orders.

Addl 2-3-22

The point for consideration is whether the application of Mrs Venkatasekhamma for a renewal of her prospecting licence can be to her

late husband made ~~applied~~ mentioned ~~which license cancelled~~ the application rejected and a fresh mining lease granted to Mr Pichaya Naidu of a portion of the same block. It is reported that the work done by Mrs Venkatasubbamma through her agents is very unsatisfactory.

3 Previous correspondence shows that the block is a valuable one and that Mr Pichaya Naidu himself once before had the surface rights of land included in the block, of which he was the owner to his husband & Mrs Venkatasubbamma. In this connection some irregularities on the part of Mr Pichaya Naidu have been noticed at the time, though no definite action was taken against him. It is therefore not strange that Mr Pichaya Naidu should now again try to obtain a ~~license~~ lease over the block.

4 It seems desirable therefore that neither Mrs Venkatasubbamma nor Mr Pichaya Naidu should get a license/lease now.

Sir,

Yours obdt

As regards Mrs Venkatasubbamma. I agree to the rejection that her application for renewal of license requires to be rejected. for the reasons given in the Director's letter under disposal. So far as his recommendation in favour of Pitchaiya Naidu is concerned I am afraid no good case has been made out. But before rejecting it an enquiry as proposed may be made.

Geol 71-21-1

FEB 1922

From

B. JAYA RAM, ESQUIRE, F.G.S.,
Director, Mysore Geological Department.

To

S. Hiriannaiya, Esq., M.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

Adverting to the correspondence ending with your office letter No.G.21885/Geol.95-20-4, dated 19th May 1921 conveying the sanction of Government to the renewal, for one year from the 16th January 1921, in the name of Mrs. Venkataseshamma, of Prospecting License No.508 for Mica held by her husband the late Mr. Yadala Chinna Venkatasubbiah Chetty over a block of one square mile of land in the Seringapatam Taluk, on the submission by the lady of a succession certificate in support of her title to her husband's property, I have the honor to state as follows:-

1. After repeated requisitions from this office a succession certificate, dated 14th October 1921, obtained from the Court of the District Judge, Cuddapah, was received from the lady with her letter, dated 25th December 1921, and the same is submitted herewith for the perusal of Government and kind return. The certificate relates to certain amounts due to her late husband, but there is no mention therein in regard to the rights and interests held by the late Mr. Chinna Venkatasubbiah Chetty under the license in question. It seems, therefore, to be a point for legal advice as to whether such a certificate

may be accepted and acted upon for the purpose of recognising the lady's title to succeed to such rights and interests.

2. Seeing that the period of one year for which the renewal of the license was sanctioned was to terminate on the 15th January 1922, Mrs.Venkataseshamma / applied to this office on the 5th December 1921 (a few days before she forwarded the succession certificate in question to this office) for a further renewal of the license from the 16th January 1922. In connection with this application I beg to submit, for your perusal and kind return, the enclosed file of papers received from the Deputy Commissioner, Mysore District, relating to certain irregularities on the part of the lady brought to light since the termination of the original period of the license. The irregularities relate to :-

(i) the continuance of work on the block for a period of six months even after the expiry of the term of the license;

(ii) conduct of the lady's Agent, one Mr. Abdul Quddus, in showing the Patel of Vadesamudram a false document as the renewed license, taking advantage of the illiteracy of the Patel;

(iii) false reports in the quarterly statements that no work was done after the expiry of the license;

(iv) illicit removal of two cart loads of mica in June '21.

The explanation offered by the lady in respect of the above irregularities is only that she is a widow, that she depended upon her clerks who played false and that she may be excused. Copies of the correspondence in the matter (this office letters Nos.36 and 1040, dated 11th July and 13th Decr. 1921, and the lady's letter, dated 25th December 1921) are also submitted herewith for the information of Government.

3. The explanation offered by the lady is by no means

satisfactory

satisfactory and I am inclined to think that she would be better advised to relinquish the block in her own interests and save herself from the duplicity of her Clerks and Agents. She resides in a distant place like Cuddapah and has shown herself incapable of managing the business satisfactorily.

4. There has also been lately received an application, dated 12th December 1921, for a mining lease for Mica over a block of 160 acres comprised within the Prospecting License No.508 under reference, from Mr. A.Pitchaiya Naidu of Mysore and a copy of the same is submitted herewith together with a copy of his letter of ~~the same date~~ 5th Jan 1922. Mr. Pitchaiya Naidu was the original holder of this block between 1916 and 1918 prior to its transfer to the late Mr. Chinna Venkatasubbiah Chetty by the grant of a fresh license. Mr. Pitchaiya Naidu has made Mysore his home for over 12 years past and has shown a fairly good amount of perseverance in dealing with mica blocks in the State.

5. Under these circumstances, I beg to recommend that Mrs. Venkataseshamma's application for the renewal of the license may be rejected and sanction of Government kindly accorded to the grant of a lease to Mr. Pitchaiya Naidu over the area applied for by him.

I have the honor to be,

Sir,

Your most obedient servant,

B. Jagannadham

Director,

Mysore Geological Department.

WD 2022—GPB—100—16-7-20

B. Jagannam
Director,
Mysore Geological Dept.

Letter, dated 5th January 1922, from Mr. A. Pitchaiya Naidu, Proprietor, Mica Mining Company, Mysore, to the Director, Mysore Geological Department.

I beg to invite your kind attention to my application, dated 12th December 1921, for mining lease for mica over the Vadesamudram Block in the Sreerangapatam Taluk for which I have paid the necessary fee of rupees 100 and to request that the lease may kindly be granted to me at avery early date. I have been actively engaged in the mica business for the past fourteen years in the State of Mysore but for various reasons such as the great fluctuations in the market for mica, the occurrence of mica deposits in irregular patches in Mysore and in insignificantly small quantities in most areas, no profitable business could be developed by me so far. I have however made a careful study of the whole situation of the mica industry and the information gathered by me from different sources leads me to conclude that the prospects of a profitable business in mica are not altogether non-existent in Mysore and that the disappointing results obtained so far were largely due to the absence of skilled workers in Mysore For the business to be developed on proper lines it is essential that we should have in the first place abundant supplies of mica and secondly skilled men who can treat the mica so as to meet the requirements of the market, wasting as little quantity as possible in the processess of treatment. As you are aware, I have been devoting my whole life and time to mica business in Mysore and have spent several thousands of rupees with very little return. In fact I have been entirely depending upon this business for my progress in life and I beg therefore that you may be kind enough to give my case your most sympathetic consideration. It is my intention to start local manufacturers in the Mysore City such as mica splittings, mica knots, mica chimneys of numerous beautiful patterns and designs, etc. and I shall be very grateful to you if you will kindly grant me the mining lease for over the Vadesamudram Block, as well as a monopoly for mica over the Mysore and Hassan Districts.

The

The late licensee of the Vadesamudra Block was a non-Mysorean and has also died since. His widow, residing at Cuddappah, can hardly be expected to work the Block satisfactorily and I hear that her Agents removed large quantities of mica unauthorisedly as already brought to your notice. I was also the original holder of that Block and it is I, that spent large sums of money and proved it to be valuable, notwithstanding the discouraging results obtained by previous lessees such as the Bombay Mining Syndicate, etc. The grant of this block to me will enable me to develop the mica industry in the Stat[illegible]oper business lives and I beg that you may be kind enough to recommend the lease of the same to me.

Copy.

B. Jagannath
Director,
Mysore Geological Department.

No. 1662 Dated, Bangalore, 8/4/22

GEN & REV. SE... 10 APR 1922

From

B. JAYA RAM, Esquire, F.G.S.,
Director, Mysore Geological Department.

GEN. & REV. SECRETARIAT 10 APR 1922 INDUSTRIES & COMMERCE BRANCH.

To

S. Hiriannaiya, Esqr., M.A., B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

In reply to para 2 of your letter No.I.C.5039/Geol. 71-21-2, dated 27th March 1922, enquiring whether, in spite of the irregularities on the part of Mr. A. Pitchaiya Naidu mentioned in this office letter No.951, dated 6th October 1919, it is desirable to grant him a Mining Lease for Mica over the Udayasamudram Block in the Seringapatam Taluk comprised in prospecting license No.508, I have the honour to state that the irregularity mentioned in the aforesaid letter of 6th October 1919, relates to the sale by the late Mr. Venkatasubbiah Chetty of 38 cases of Mica collected during the currency of Mr. Pitchaiya Naidu's prospecting license No.436 which expired on the 1st of May 1918. The irregularity lay in the fact that the Mica was removed and sold after the date of the termination of the prospecting license and without any renewed or fresh license. The removal was made by Mr. Venkatasubbiah Chetty who had accepted responsibility for the payment of royalty due thereon (vide para 4 of Dr. W. F. Smeeth's letter No.2354, dated 22nd February 1919). The sale of Mica by Mr. Pitchaiya Naidu to Mr. Venkatasubbiah Chetty can hardly be construed as an offence or irregularity, especially as Mr. Venkata-subbiah Chetty accepted responsibility to pay the royalty

15

due on the Mica.

2. There are very few prospectors interested in Mica at present in Mysore and of them Mr. Pitchaiya Naidu appears to be the most persistent man. It seems, therefore, to be very desirable that he should be granted the Mining Lease already recommended in para 5 of my letter, No.1379, dated 23rd February 1922.

I have the honour to be,

Sir,

Your most obedient servant,

B. Rayan Rao

Director,

Mysore Geological Department.
